Introducing our new Western Canada Sales Manager

Niki Lever

Announcing: Niki Lever as Western Canada Sales Manager

Please join us in welcoming Niki Lever as our new Western Canada Sales Manager as of September 1st.

Niki joined National Cable Specialists in September of 2016 and throughout the course of her time with us has demonstrated an unyielding dedication to serving her customers. While going above and beyond to ensure customers are supported, she has also shown leadership through understanding and incorporating strategic objectives into her daily work.

In her new role, Niki will oversee the National Cable Specialists sales team in Coquitlam while working directly with key accounts to ensure our customer service standards and growth initiatives are maintained and achieved.

We are excited to welcome Niki to this important leadership function!
