PRIMEX TELECOM
Product Specification Sheet

PRODUCT MODEL CODE

FTC
Fiber Transition Case

1. PRODUCT SUMMARY

The Primex Fiber Transition Case (FTC) is an efficient and adaptable solution for storing up to 3' of fiber drop cable and a simplex connector. The FTC is ideal for test points, Fiber-to-the-desk, and repair splices.

In the footprint of a standard wall outlet, this enclosure offers splice holders on each side and an optional external adapter mount for tight-space applications.

2. PRODUCT DIMENSIONS

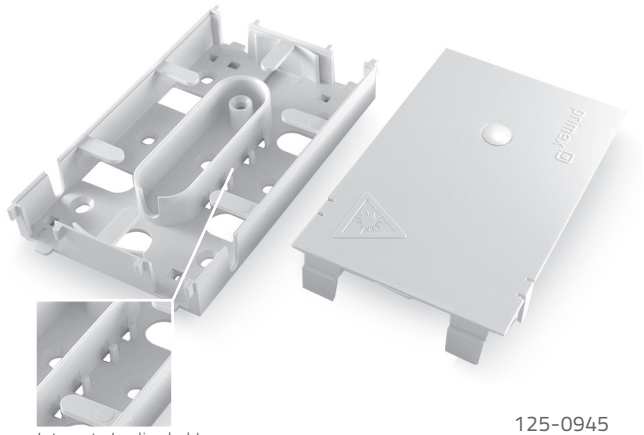
H: 4.8"/W: 2.8"/D: 0.7"

3. FEATURES & BENEFITS

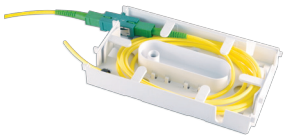
- Up to 3' of fiber drop cable management with a protective lid.
- Ports hold a simplex connector on each end.
- Single fusion splice holders.
- Break-off tabs allow for scalability for up to two entry/exit ports.
- Optional side mount for external adapter use in applications with limited space.
- Optical wall outlet capability.
- Available in PVC for outside use in Primex enclosures or ABS for inside stand-alone use.

4. CONFIGURATIONS

Part #	SC	Description
FTC01	125-0945	White ABS w/screw cap
FTC01-1	125-0873	White ABS w/single SC/APC Adapter
FTC31	125-0848	Grey PVC
FTC1-01	125-0849	White, w/ext. adapter mount
FTC1-31	125-0850	Grey, w/ext. adapter mount



Internal bulkhead mount



125-0873

External bulkhead mount

125-0849

*Optional fiber pigtails

FTO
Fiber Transition Outlet

1. PRODUCT

The Primex Fiber Transition Outlet (FTO) is a quicksplice solution that manages up to 3' of fiber drop cable.

This scalable, adaptable enclosure offers flexible entry ports, two fusion splice holders, and room for two fiber adapters with buffer tube management.

2. PRODUCT DIMENSIONS

Outside: H: 4.5"/W: 5.3"/D: 1.1"

3. FEATURES & BENEFITS

- Up to 3' of fiber drop cable management with a protective lid.
- Two fusion splice holders with buffer tube management.
- Break-off tabs allow optional entry and exit ports.
- Stackable for large fiber counts.
- Optional fiber adapters stored internally for added protection.
- Can be used as an optical wall outlet.
- Available in PVC for outside or ABS for inside applications.

4. CONFIGURATIONS

Part #	Description
125-1051	White FTO w/2 SC/APC adapter
125-0889	White FTO w/1 SC/APC adapter
125-0879	White FTO w/integrated splice tray
125-0891	Grey FTO w/ integrated splice tray
